## Giving Cards

Our recent physical giving initiative is an opportunity for us to re-engage in the spiritual formation that active giving offers. Where it used to be that every offering required the filling out of a cheque or the physical placement of money in a plate, digital options have undermined that thoughtfulness. Cards are available in the pews to be filled out with the amounts that we are giving digitally. Our offerings are not just another bill to be paid, but rather an opportunity to remind us of the One who sustains and provides for us. On top of the spiritual formation of us adults, we also want to model to our kids the physical act of giving. We want them to be able to see us responding in faith to God.
