A Word to Our Women

Moms, grandmothers, aunts, sisters, caregivers of all kinds, you are called to love in ways that are purely sacrificial. Much of what you give receives no fanfare or reward. What you do can never be repaid. In that, you reflect Jesus' sacrificial love for the world. May you know today how much we value and appreciate your God given mission. May you also know the lightness of Jesus' yoke and his great delight in you. He is your help, your strength, and your joy. Happy mother's day!
