Care Opportunity

Hey Fourth Avenue Bible Church,

A few years ago now, the church descended on our house when we found ourselves in need of a new roof. I describe it to others as my first Amish barn raising. It was my first experience of how well this church can live out Jesus' call to love one another. I realized just how privileged I was to serve such a community.

Well, now there is another family that needs us to show up again in a similar way. Earl and Krystal Klassen will be working on their own roof on **Aug. 15th at 8am**. This is a call to any in our church able to climb a ladder onto a roof and wield a tool to bless them. Experience not required. There will be work for all levels including teenagers who can rip things, lift things, and clean things. When this church came together for us, it was an incredible day of work, laughter, and building of relationships. Let's do it again! We can use you for an hour or the whole day. See you there ~Pastor Barry
